

AFRICELL IS A LEADING MOBILE NETWORK OPERATOR IN AFRICA

Through a mix of voice and SMS products, data services, and Afrimoney, we help sub-Saharan Africa share in the extraordinary long-term benefits of digital connectivity. Africell employs over 1,000 people in multiple countries and contributes indirectly to thousands more jobs. We have US ownership and are headquartered in London, UK. Africell's social impact, entrepreneurial spirit and transparent business activities make us the ideal mobile network provider for Africa's future.

AFRICELL IN NUMBERS

WHERE WE OPERATE

WHAT WE DO

Data
Data is the heartbeat of Africell's network. We offer a range of internet services including ultra-fast 5G connectivity defined by speed, reliability and value for money.

Mobile money
Through Afrimoney, money to others, pay bills, and transact with a range of other products and services both at home and overseas.

Voice & SMS
Africell's voice & SMS best value in the market. Our handsets suit every customer type and can be used for voice, data or both.

AFRICELL'S STORY

AFRICELL IMPACT HELPS PEOPLE CONTRIBUTE TO THEIR COMMUNITIES.

We support strong and resilient communities by bringing people together, both digitally and physically, and connecting them to opportunities and resources in the arts, education, entrepreneurship, healthcare and more.

IMPACT AREAS

Arts, Culture & Heritage

Giving a platform to arts, culture, heritage and content which celebrate the energy and creativity of contemporary Africa.

Education & Entrepreneurship

Supporting education and entrepreneurship by equipping people with digital and physical technologies for learning and innovation.

Health, Sports & Wellbeing

Promoting active lifestyles, providing health-related information and resources, and helping talented athletes fulfil their potential.
